If Edmonton Global decides to have a third stage, proponents invited to participate must ensure that the individual identified as the project leader in their Proposal is in attendance during the interview portion of the evaluation in addition to any other key personnel that the proponent wishes to include.

Edmonton Global may alter or eliminate stages of the evaluation process as it deems appropriate.

If appropriate to do so, Edmonton Global may decide to identify the proponent that Edmonton Global deems to be most preferred (the "Most Preferred Proponent"). Edmonton Global may also decide to identify the proponent that is next most preferred and likewise. If Edmonton Global identifies a Most Preferred Proponent, Edmonton Global and the Most Preferred Proponent shall enter into negotiations with a view to agreeing upon the terms of an acceptable contract. If, in its sole discretion, Edmonton Global determines that it and the Most Preferred Proponent will be unable to agree upon the terms of a contract, Edmonton Global may terminate negotiations with the Most Preferred Proponent and enter into negotiations with the next most preferred proponent. Edmonton Global may terminate negotiations and enter into negotiations with the next most preferred proponent as many times as it deems necessary.

1.7 PRIVACY AND CONFIDENTIALITY

All documents submitted to Edmonton Global are subject to the protection and disclosure provisions of the Freedom of Information and Protection of Privacy Act ("FOIPP"). While FOIPP allows persons a right of access to records in Edmonton Global's custody or control it also prohibits Edmonton Global from disclosing your personal or business information where disclosure would be harmful to your business interests or would be an unreasonable invasion of your personal privacy as defined in sections 16 and 17 of FOIPP. Proponents are encouraged to identify what portions of their Proposal are confidential and what harm could reasonably be expected from its disclosure.

The purpose of collecting personal information required to be provided in this RFP is to enable Edmonton Global to ensure the accuracy and reliability of the proposal, and to evaluate the submission in response to the RFP. This information is required by Edmonton Global to carry out its operations.

It is recommended that proponents advise persons whose personal information is being provided to Edmonton Global under this RFP that FOIPP will govern the privacy of the personal information as well as its possible disclosure by Edmonton Global to third parties, upon request.

Questions about the collection of personal information pursuant to this RFP shall be submitted to Edmonton Global's Chief Executive Officer.

There is no collusion or agreement, formal or informal, between proponent and any other actual or prospective proponent in connection with the Proposal submitted for this RFP. Each proponent represents and warrants that it has no knowledge of the contents of any other proposal; and the proponent has made no comparison of figures, agreement or arrangement, expressed or implied, with any other party in connection with the making of its Proposal, except as declared within the Proposal.

Proponents shall disclose, in their Proposal, all perceived, potential and actual Conflicts of Interest. If a proponent prior to or following submission of its Proposal, discovers any perceived, potential or actual Conflicts of Interest, the proponent shall promptly disclose the perceived, potential or actual Conflict of Interest to Edmonton Global in a written statement.

At the request of Edmonton Global, the proponent shall provide Edmonton Global with the proponent's proposed means to mitigate and minimize to the greatest extent practicable any perceived, potential or actual Conflict of Interest. The proponent shall submit any additional information to Edmonton Global that Edmonton Global consider necessary to properly assess the perceived, potential or actual Conflict of Interest.

Edmonton Global may, in its sole discretion, waive any and all perceived, potential or actual Conflicts of Interest of proponents. A waiver may be upon such terms and conditions as Edmonton Global, in its sole discretion, require to satisfy itself that the Conflict of Interest has been appropriately managed, mitigated and minimized, including requiring the proponent to put into place such policies, procedures, measures and other safeguards as may be required by and be acceptable to Edmonton Global, in its sole discretion, to manage, mitigate and minimize the impact of such Conflict of Interest.
