

## PORT ALBERTA - FOREIGN TRADE ZONE PROGRAMMING

Located in the Edmonton Metropolitan Region, Port Alberta is the regional inland port that has been designated as a Foreign Trade Zone where investors are eligible for duty and tax relief, as well as value-added manufacturing to create Canadian labelled products. By taking advantage of a suite of government programs, companies can improve their cash flow, reduce their operating expenses, and improve efficiency in getting their products to market.

For further information, please visit Finance Canada's [Foreign Trade Zone](#) website.

### CANADA BORDER SERVICES AGENCY

- Duty Deferral Program: Covers three components which can be used individually or in combination, depending on your unique business needs.
  - [Customs Bonded Warehouse](#): Allows for the deferral of duties and taxes until the goods are released for Canadian consumption or exported.
  - [Duties Relief Program](#): Provides upfront duties relief on imported goods, as long as those goods are eventually exported.
  - [Drawback Program](#): Provides a refund of customs duties paid for imported goods, after they have been re-exported or used in the manufacture of exported goods.
- [Partners in Protection](#): Designed to streamline and make border processes more efficient for low-risk, pre-approved businesses recognized as trusted traders.
- [Canadian Goods Abroad Program](#): Enables eligible goods to return to Canada with full or partial relief of duties and taxes after they have been repaired, altered, or worked on outside of Canada.
- [Customs Self-Assessment Program](#): Designed to simplify import border requirements for low-risk, pre-approved importers, carriers and registered drivers.
- [A.T.A. Carnet](#): An internationally recognized customs document for the temporary importation of goods into foreign countries.

### CANADA REVENUE AGENCY

- [Export Distribution Centre Program](#): Allows qualified companies to import goods or acquire goods in Canada without paying taxes on purchases of \$1,000 or more, if the goods are later exported.
- [Exporters of Processing Services Program](#): Relieves participants of the obligation to pay taxes on imports of goods belonging to non-residents, provided that these goods are imported for processing, distribution or storage and are subsequently exported.
